REMSA Health celebrated a combines 55 years of experience for employees with length of service milestones. In addition, employees who were recently honored at the Trauma Intervention Program awards dinner were also recognized.

Continuing Decades-Long Legacy of Service to Washoe County

In early February, Shirley Folkins-Roberts, president of REMSA Health's volunteer board of directors, and Devon Reese, chair of the District Board of Health, both signed the contract extending the exclusive franchise agreement between REMSA Health and Northern Nevada Public Health (NNPH). This decision allows REMSA to continue serving Washoe County as the sole provider of emergency and non-emergency medical transport, extending a partnership of more than 40 years and affirming the trust placed in our teams and our nonprofit model.
